## Thanks to City Council Woman Sandy Sheedy

Council Woman Sandy Sheedy has shown tremendous support for our program and our children. In August, she attended and spoke at our Rally for the Million Father March (which was covered by KCRA 3 News). Most recently,

she purchased 130 football bags for our football players as well as a 6 foot by 12 foot reusable vinyl and Velcro logo/banner for our players to run through when they take the field before games and after time-outs!
