GJP ACADEMIC ACHIEVEMENT

The Million Father March Was a Huge Success!

Highlights include:

- Parental involvement leads to better grades, attendance and behavior
- Parent/Teacher communication helps academic and social success

- Weekly Progress Reports are used to alert parents of academic or behavior issues.
- Make sure your child does their homework as soon as they get home from school. They should have 2-3 hours of free time before practice

Participant brings the Progress Report to practice and coach notes that it has been completed

If participant does NOT return the completed Weekly Progress Report, he/she must turn it in prior to the weekly game in order to participate
